## **Description**

The practicality of this recipe stands out with a quick preparation time of just 3 minutes, providing a revitalizing drink that can be enjoyed immediately. This homemade lemonade is perfect for cooling off on hot days or savoring as a complement on various occasions. Lemonade is a classic and refreshing beverage that combines the citrusy and revitalizing flavor of lemons with the smoothness of cold water. This simple and quick recipe offers an easy way to enjoy a delicious drink in just a few minutes.

## Ingredients

- 1 lemon
- 1 liter of cold water
- Sugar
- Sugar or sweetener to taste
- Ice
- Ice as desired

## Instructions

- 1. Cut the ends of the lemon and place the whole lemon with the peel in the blender.
- 2. Blend until the lemon is grated with the peel adding all the cold water.
- 3. Sweeten with sugar or sweetener blend a little more and strain.
