### Description

This recipe provides a simple and refreshing way to prepare Mint Lemonade. With just a few easy-to-find ingredients, you can whip up a delightful beverage perfect for quenching your thirst on a hot day. The combination of the zesty juice from two lemons, chilled water, and a hint of sweetness from sugar creates a harmonious balance of flavors.

### Ingredients

- Juice of 2 lemons
- 1 liter of chilled water
- Sugar to taste
- 1/4 cup of mint leaves

### Instructions

1. Blend all the ingredients in a blender.
2. Strain the mixture.
3. Serve immediately with ice cubes if desired.
4. There you have it! Enjoy your refreshing mint lemonade.
